

## Golden Horseshoe Weekend good fun

It's the thing to do and the way to go this coming weekend-to the Golden Horseshoe Antique Society in Caledonia.

Each year the executive are able to have Vince Mountford from Brampton as Emce and grandmaster of ceremonies in front of the Grandstand for the various events, the fiddle contest, talent show, harmonica and other competitions. Vince has been part of our show over the past eight years. Vince is to

our Caledonia grandstand as the race track down yonder!

Another 'new' this year is the Hermer Woodcarving Shop. Woodcarving was a favourite past time hobby in both Lower and Upper Canada. The hobby craft has been followed down through the years and where Great-grandfather just whittled with his reliable and trust-worthy jack knife, to-day's tools are much more extensive and elaborate. The little

old woodcarver, Herb, from Cayuga, and a member of the Golden Horseshoe, will be demonstrating wood carving in his own shop, with his tools and woodcarving models on display. Fine for carving to-day is priceless-so are his woodcarvings in the various woods, and I mean priceless-they will not be for sale. If you have ever had the 'yearn for woodcarving, drop around and watch Herb at his whittlin' and learn how to do woodcarving and study

Canadiana at the same time.

The sounds on the Golden Horseshoe grounds always "takes me back" so to speak-the calliope from Stratford behind those prancing span of eight and the whistles from all those steam engines. I can still hear that 5 a.m. whistle steaming up for threshing day on the farm.

Each year we are favoured with the presence of our own Haldimand Dairy Princess and the Ontario Dairy

Princess at the Haldimand Milk Producers' Booth.

If milk is not your quench for thirst, drop over the way to the saloon for lemonade on ice, bar-room style, hosted by the Junior Executive of the Club. There will be a display of old bottles decorating the walls of the saloon -- bottles that are now collectors' items.

One little mention for the antique vendors who come every year and set up their stalls along the avenue. This,

I can say, is a tremendous task for our three-day weekend. All those precious and delicate antique items have to be wrapped and unwrapped, and at night wrapped up for the next day's sale. The vendors stand all day in that hot August sunshine, but that same sun brings out the rich colours of amber, ruby and turquoise in antique glass. As a collector and one who has wrapped and unwrapped as well, I would say stop by at the flea market and look over their wares.

A Golden Horseshoe welcome awaits you when you register at the City Hall on Golden Avenue where you will meet the President and the Mayor. Sit in the captain's chair and reminisce on the old days, the old ways and the good old times of yesteryear. And when you register, you just might be the lucky one to buy the lucky ticket on an Electrohome Stereo, or the John Deere 10 speed bicycle or possibly the kettle barbecue, and when you do, you are, along with us, helping the handicapped and the Haldimand Association for the Mentally Retarded.

On July 10, as a result of a high speed chase from Cayuga to Delhi, the driver of the chased vehicle fled on foot after running into a house. Warrants were obtained for the owner of the vehicle, charging him with "Dangerous Driving" and "Driving Under Suspension."

On July 13, the driver reported into our Detachment riding a motorcycle and was subsequently charged again with "Driving Under Suspension." On July 23, the accused person appeared in Provincial Court, at Cayuga, Ontario, and was observed driving a vehicle, which was reported stolen from London Ontario. The same accused person was again charged with "Driving Under Suspension" and "Possession of a Stolen Vehicle."

Mr. Wayne Moore, R.R. 1 York, Ontario, reported the theft of the 12 by 34 foot truck tarp and a 10 by 20 Goodyear truck tire.

Eight sheets of plywood were reported stolen from a house under construction on the Indiana Road. (west of #56 Hwy.)

Four pured bulls of different breeds, were found wandering on the road near Canboro and are being cared for until the owner can be found.

Three male subjects from Caledonia and Burlington, have been charged with "Attempted Theft" from the Ontario Hydro Sub Station on the Sanduski Road.

Officers investigated a number of minor complaints including two requests from the Provincial Park's staff members and assisted Park Authorities in ejecting unruly campers from the Parks.

A total of seventeen motor vehicle collisions were investigated resulting in injuries sustained to five persons.

## Tillsonburg slams Hagersville

Tillsonburg jumped on Hagersville Pee-Wees for ten runs in the first inning and went on to an easy 14-4 win. Hagersville started Danny Smith, retired the first two men in the inning and it looked like he was going to pitch a strong game, but then the roof fell in. Tom Myke took over in the second inning and was greeted with three more runs before settling down to allow a single run for the rest of the game.

Hagersville scored in the first inning as Paul Awde singled and came around to score. In the fifth inning Garth Vanni, Danny Smith,

Ernie Ricker, and Dan Gauthier walked, scoring one run. Tom Myke got his second hit of the game to drive in two more. Hagersville left the bases loaded in the first, second, third, and fifth innings where one or two hits might have made a big difference in the score. Tim Otterman who is the teams catcher and top hustler was injured in the game when he was struck on the arm with a bat. Tim has been wearing a cast for the last couple of days and if he is out of action for the season it will be a real blow to the team with play-offs just around the corner.

## Hagersville 6, Tillsonburg 5

In a real squeaker, the Hagersville Midgets hung on to defeat Tillsonburg 6-5 in the last regular season game at home. Tillsonburg jumped into a 3-0 lead as Hagersville booted the ball around in the second inning after two men were out. With the score 3-0 in the fourth, Hagersville came to life and scored four runs with Dennis Smith's hit being the big blow of the

innings. The visitors tied it in the fifth innings and went

one run up. The midgets scored two more runs for the win in the last of the fifth. Richard Salvatore pitched this game for Hagersville and also picked up one hit. Dennis Smith was the top hitter as he had two for the winners. Terry Crawford, Darrel Watson, Daryl Nixon, Phil Nie, Paul Horvatis and Ralph Awde had one each. The next home game for the Midgets will be a play-off game so get over to the park and give them some support.

The Midget team won the tournament championships in Paris.

## New Credit eliminates Hagersville

New Credit eliminated the Hagersville Squirts from O.A.S.A. play-offs with a 23-17 win in a game played at New Credit. Hagersville led the game 10-6 after four innings, only to see New Credit send fifteen men to bat in the fifth inning and come home with 11 runs. They added two more in the sixth, and four in the seventh for the win. Hagersville gave it a good shot in the last inning, scoring six times but could not close the gap. Bill Esselment led the Hagersville hitter with four hits including a double. John Henderson had a home run, triple and single. Stan Jackson came

through with a double and two singles with Tom Myke adding a home run and a single. Trevor Smith and Rick Pepper picked up one hit a piece and for Pepper this is way below his average. McCarthy, Nootens, and Staughn failed to get a hit and this hurt the teams' and this hurt the teams' chances.

Darryl Doolittle led the winners with a home run and two singles. Mike Farmer, Marve LaForme, and Clint King had two hits apiece as New Credit advances to the next round of play-offs.

## Cheapside news

The United Church is still having services in the Cheapside Community Hall. Repairs are being made to the Church, damaged by fire in the spring.

The Bassindale kith and kin had their family picnic on Saturday afternoon.

Sympathy is extended to the Weaver nieces, nephews and relatives, in the death of their aunt, Mrs. Jake (Sarah Winger) Cline, one-time resident of the Kohler area.

The funeral was Saturday afternoon at Bertie.

Reverend Elwood and Mrs. Flewelling, former pastor of Bridlewood BIC Church, Toronto, are living with Mrs. Flewelling's sister, Mrs. Elizabeth (Jessie) Weaver, Cheapside. Rev. Flewelling has been forced to retire because of ill health.

Cheapside village is "Looking up" with another new house already built, minor remodelling to others with two being built north of Cheapside. We can't feature Cheapside of 100 years ago with a residents' population of 200. For 50 years the population has averaged 75.
