when they gathered in the Christian Education Wing of the Hagersville United Church, for the May meeting. Mr. Fran Almas commenced the evening's program with a brief discussion on "The Church in our Community". Many thought-provoking questions and answers followed, with Dr. W. C. Powell leading in a moment of prayer. Fran Almas then read an article by Dr. George MacLeod, which told the story of a church set upon a hill so it could be seen from all directions by all people, no matter their race or creed. Dr. W. C. Powell closed the worship service with prayer.

The President thanked the Powells and the Alma's for planning the evening's meet-

ing, after which Secretary Ted Heinrichs read the minutes. The Treasurer's report had been prepared by Lawrence Shoup, but in his absence was read by Mrs. Edna Esselment. This report showed a present bank balance of \$2201.61.

Mrs. Margaret Loughheed thanked each one of their valuable assistance for the recent Arts and Crafts Show, with mention made of Marie Hewitt and Ruth Clark for all their work. A hearty applause was given this committee for their excellent convening for our annual show. Fran Almas, on behalf of the Auction Sale expressed gratitude and thanks for all the assistance and work involved by the committee members

Winger came on to work the last three innings and was touched for hits and three walks, between the two hurlers they struck out ten batters. This is quite remarkable when you consider that Simcoe is a juvenile club competing in the midge league. Darrell Watson played a heads up game and this seemed to make the rest of the team play a little

sharper as they committed only one error in the game and this came with two out in the ninth inning.
