## Letter to the Editor

Dear Editor:

I am writing this letter in order that I may publicize my recent dealings with our Regional Government.

In November 1974, I applied to have the zoning changed on my property. I filled out all necessary forms and had regional and Health Department inspectors inspect the property.

On June 10, 1975 I inquired at the Planning Office in Cayuga as to why I have not heard from this and was told that the forms had not left their office. They said it was because Health Department approval had not been received yet.

A quick check with the Health Dept. proved that the O.K. had been sent to the correct person in Nov. 1974. I confronted a secretary at the Planning Office with this information and she admitted that the report had been received but was misplaced or lost.

Therefore I have waited for seven months for a reply which I didn't receive because one of our government employees didn't have the decency to admit his carelessness and acquire another copy of the report from the Dept. of Health.

I think my tax dollars are being wasted! Signed G. E. Makey

## Juniors

The Hagersville Juniors hosted the Tillsonburg team on Sunday and dropped a 7-1 decision as they ran into a hot shot pitcher. The Hagersville bats were really quiet as they managed only three singles. Bob Schwyer struck out eight Juniors and did not allow a runner to base until the eighth inning. Hagersville finally scored in the last frame when Tony Yacobino walked and stole second. Tony moved to third on an infield out and came home on a sacrifice fly by Steve Petracca, Paul Fryett singled in the eighth. dan donato singled in the seventh and Wayne Johnson singled in the sixth for the only hits.

Cliff Chrysler started for the home team and pitched shutout ball till the fifth inning when Tillsonburg scored twice. A walk plus a hit batte put two men on base

with one out. They both scored as Dan Lamb doubled. Two walks, a sacrifice and an infield out, made it 3-0 in the seventh and the visitors put the game away with four runs in the top of the eighth. Chrysler and Galbraith combined to strike out eight, walk ten, and allow seven hits.

Rain has caused a lot of postponed games and the Juniors will make up one of those games this Thursday night at home. The team will also travel to Thorold to take part in the all Ontario playoff series to see who represents Ontario at the summer games later in the season. The boys have the potential to play good sound baseball and all they need now is some good weather to get their games in.

Campbell. Dennis Smith sent 12 Eric Batters down on strikes and walked only three. Nopper led off the last of the eighth with a triple and came home on a sacrifice fly by J. Biggar.

## Midgets

## remain unbeaten

The Hagersville midgets won their sixth straight game as they downed Langton 6-3 in Langton on Saturday. The team did not play well as they picked up only five hits but had 12 bases on balls. The walks made the difference in the scoring as the few hits they got came with men on base. Paul Horvatis was the big gun for the winners as he cracked a triple and single. Dennis Smith, Hal Brown, and Daryl Nixon picked up the other hits.

Richard salvatore and bill Winger worked the game for Hagersville and combined for a neat four hitter. The two pitchers walked six men

but struck out eight when the chips were down. The boys play every Wednesday night at home.
