

Caledonia High School Celebrates 50th Anniversary

The Kinsmen and Lions Clubs will work together to put on a dance at the High School Saturday, April 19. This gala function will be the climax of C.H.S.'s 50th. Mr. Murray Clark is the chairman of the dance committee. By next week he will be able to give you all the details about time and tickets.

Two or three members of C.H.S. staff are choosing a trade-mark emblem for the Anniversary celebrations. Mrs. Rainbow's art classes have submitted some exciting pieces of work, and we are finding it difficult to decide which

ones to use. We will, hopefully, use the emblem which is being chosen to head next week's C.H.S.'s 50th Anniversary blurb.

Mr. Lean said he wasn't sure whether C.H.S.'s anniversary publication would be ready in time for the celebrations. He said there is so much interesting information turning up that it's really difficult to decide what to include and what to keep for a possible later publication. The School's staff and students who are working with him assured him that he needn't have any doubts. The 50th Anniversary booklet will

definitely be ready for the celebrations.

Still we're very happy to receive material for exhibits and all sorts of stories. Send in anything you have for us or give us a call at 765-2715 and we'll gladly pick up anything you have for us.

As our attention is called to all of the progress that has been made at C.H.S. over the past 50 years, we cannot help speculating upon what progress we are now making or upon what progress is about to be made. Certainly, when we see the activity and enthusiasm that is displayed by the students we know that we aren't at a standstill. The care and eagerness with which students are now selecting subjects for next year's classes shows conclusively that "full steam ahead" is the motto of the student body.

Congratulations to Peter and Jean Van Kralingen on the birth of their daughter. Don't forget the regular card party, this Thursday night at eight, sponsored by the Selkirk recreation club.

Some of the creative stitchery done by the ladies of the Women's Institute is being displayed in the local Library.

We are sorry to hear that Ron Seifker, bank manager recently transferred from Selkirk bank to Jarvis, is confined at Hagersville West Haldimand Hospital. I understand that Ron has a lengthy convalescence ahead of him.

Ivan and Rita McKenzie had supper and spent Thursday evening at Gerald McKenzie's home. It was

Gerald's birthday. Next year he will have a birthday like the rest of us.

Mr. and Mrs. Peter Slootweg spent the weekend at their country home near Selkirk.

Mr. and Mrs. John Hoover had the misfortune to have their truck shed destroyed by fire late last week.

Miss Jean Hoover is still a patient in West Haldimand Hospital, Hagersville.

Sam Neill is also still in Haldimand War Memorial Hospital in Dunnville.

Brian Swarts has to return to the hospital in Hamilton for more surgery on his injured leg.

With another three night stand successfully

completed for the Jarvis Lions Minstrels, the Fisherville Lions Club Minstrels are in the midst of practising with the bulk of the work involved yet to come. They plan their show for March 20, 21 and 22. Try and get out and support them. As you know, the money is for a worthy cause. Tickets are available from the members.

We are happy to report that the Saturday night dance at the Summer Gardens in Port Dover, sponsored by the Selkirk Service Clubs, was a well-attended successful event. On behalf of the clubs, I would like to thank those who bought tickets for their support.

Monday, March 3, 1975, 19 boys and Mr. Kleinhouse met at the Selkirk Baptist Church for their weekly meeting of the Adventure Club. All the boys made model airplanes out of balsam wood and I'm sure the evening was enjoyed by all the boys.

Women will have reached equality when they can spend two million dollars to build a home for unwed fathers.

On Sunday one little girl was asked if she knew the story of Adam and Eve. She replied, "First God made Adam and then looked at him and said 'I can do better than that' so He created Women."

Selkirk Scene

Renton notes

Members of the Mt. Zion C.W. held a quilting bee at the home of Mrs. Frank Wilcox last week.

Several from this district attended the Jarvis Lions Minstrel Show held in the Jarvis Community on Thursday, Friday and Saturday nights.

Mr. and Mrs. Wayne Walker and baby from

Smith Falls spent the weekend with her parents Mr. and Mrs. Paul Weidendorf.

Mr. and Mrs. King and family spent the weekend with her parents Mr. and Mrs. Don Leatherdale.

The March meeting of the Renton U.I. will meet at the home of Mrs. Ray Bowyer.

As previously mentioned, Mrs. Rainbow's art classes produced a number of excellent emblems for C.H.S.'s 50th. Choosing just one of these emblems was really quite a difficult task. Since we had to choose just one, we picked the one that is now part of the heading of this article. We think it is very smart and hope that you, too, like it.

When it appears in colour, the numbers and letters will be bright blue and the background will be golden yellow. We expect to have this emblem put on a pennant which will fly under the Canadian flag on the flagpole on the School's front lawn. Watch for it; you'll see it there soon. This emblem is also going to be most attractive on some metal buttons which will soon be available for everyone to wear.

This week we started to make plans for a 50th birthday party which will take place in the School from 1:30 to 5:00 o'clock on Saturday, April 19th. This should be quite a gala affair with cake, lemonade, balloons, maybe a band, and several other features. Those who attend this party — and we're expecting everyone to be at it — will have a good opportunity to chin wag with people they haven't seen for ages, to look over all of the exhibits, and to take part in the fun and games which are sure to be part of the celebration.

Very soon now the

students will start preparations for this big event. Hopefully, at this party we'll have a few speakers who are in the know about education in these parts and who will briefly tell us what we can expect in the not too distant future. One of the very nice things about this party is that it's free.

Mae Whaley and Greg Fraser are as busy as Canadian beavers planning how to decorate the gym for the Lion-Kinsmen sponsored dance which will wind up our celebrations on Saturday night, April 19th. Many of the School's students will be working with Mae and Greg, and we're all sure that the results of everyone's efforts will really delight the eyes and gladden the hearts. For the past few years we haven't had any big events which have required large-scale gym decorating. This school-daze dance will provide a good opportunity for students to do their decorating thing.

Three things our students have plenty of are imagination, good taste, and the ability to get things done. When they apply themselves to projects such as birthday parties, displaying material, producing souvenir booklets, doing art work and transforming a ball gymnasium into a ball room, one really does see how truly capable these young people are.

learn from this club?" All girls answered. We then had election of officers and they are as follows:

President, Wanda Lynne McKenzie; Secretary, Joanne Hare; Treasurer, Joanne Hare and Mrs. Williams; Press Reporter, Wanda McKenzie.

Our next meeting is at Mrs. Williams' on March 8 from 10 a.m. to noon. Niki Hare will get the duo-tangs and they will either be light blue or light green and the club name will be left till next week.

Niki Hare and Mrs. Jean Hoover then put the mini-cakes in the frying pan to cook. We cooked them and then everyone had a chance to try them.

This week's home assignment is to visit a grocery store. We are to check types of flour, read

the label for enrichment and record our observations. We

discussed this, then the meeting was adjourned.

Take heart

Receipts to date are \$800 with some canvassers yet to complete their calls as Heart Month draws to a close. This year four Rangers are aiding the campaign by helping to canvass in Hagersville.

On Valentine's Day a silver collection of \$30 was received from the Hagersville Secondary School towards the local campaign.

Research has made great strides in reducing Canada's Number one Health Problem. A few articles developed through research may be seen in the window display at the McColl Watson Drug Store.

These problems remain — prevention of premature heart attacks — a vaccine to stop Rheumatic fever — a cure for High Blood Pressure which affects nearly two million Canadians.

— the prevention of defects in newborn babies — the prevention of strokes.

Anyone living outside of Hagersville may leave their donation at their local Bank.

TAKE HEART and give generously when your Canvasser calls. The Heart you help may be your own.

OPP. Report

A vehicle stolen from Brantford was recovered on February 27, 1975 on 6th Line, Town of Haldimand.

During the past week, 3 charges were laid under the Liquor Control Act, 2 break-ins, 1 break, enter and theft, 1 report of theft and 34 general occurrences were investigated by members of Cayuga Detachment.

Eighteen motor vehicle collisions were investigated with 3 persons being injured.

DANGER SPOTS
Intersections, curves and hills are particularly dangerous during the winter. The polishing action of tires spinning and sliding on snow and ice increases the slipperiness of already hazardous surfaces, warns the Ontario Safety League. Slow down before you reach the intersection and before going into a curve or downhill.

Mr. and Mrs. Hubert Field have returned home after a week with their grandchildren in Hamilton, while Mr. and Mrs. Don Monas were on a trip.

Mr. and Mrs. Cecil Hodges had supper with their daughter Mrs. Cam Thomson to help celebrate her birthday.

The A.C.W. meeting was held at the home of Mrs. Blake Field on Wednesday evening. Nine ladies were present.

Cheapside news

Royal Day of Prayer, March 7, will be observed by the three participating churches in the Cheapside B.I.C. Church.

The Ladies' Sewing Auxiliary had their quilting bee in the ladies' room in the church Tuesday afternoon.

On Sunday morning Reverend Earl M. Sider was guest speaker at the South Cayuga Baptist Church. Communion service followed the message. Noon lunch was provided for the church families in the basement. Reverend and Mrs. Sider shared this noon meal and fellowship.

Harley and Anna Ruth Osborne of Parry Sound, and family, Andrea Lea and

Aaron Geoffrey, spent the weekend with her parents, the Siders.

Mrs. Dora Anderson's sister, Mary of Selkirk, Manitoba, has been visiting her for a month.

Friends and neighbours of Mrs. Maud Stewart, formerly of Cheapside, now of Cedarbrae Nursing Home, Selkirk, shared in a birthday shower of cards for Mrs. Stewart who is in her 80's.

Reverend Earl M. and Mrs. Sider, were Tuesday dinner guests of Harry and Mrs. Waddle of Port Dover. A most delightful meal, fellowship and visit was enjoyed.

Sandy Schweyer has been holidaying at home — on crutches.
