

The York Pilgrimage tromped the 4.6 miles in good spirits even though the hour time difference made some spectators late.

## Buttons n' Bows

The students of Buttons and Bows Co-op Pre-School had lots to learn during April. They made crafts during the first week and

learned how to make a gift for someone special.

The second week was Animal Week. The children

learned about various animals — work animals, wild animals, pets — their names and where they live. Mr. Clare Steeves brought

his dog to school to perform for the children, and they visited the Glass Fin Fish Shop.

The third week was Soil and Growing Week. The children learned how seeds and plants grow and what they need to make them grow. They planted four small gardens outdoors and learned how to use rakes, shovels and hoes.

During the fourth week, which was Insect Week, they learned about the life cycle of the Butterfly. This was carried out in crafts also where they made eggs on a leaf, a caterpillar, a cocoon and a butterfly. They looked at many different insects outdoors and brought some indoors to study with a magnifying glass.

## Minor ball

Interested citizens of Hagersville met on April 30 in the Council Chambers to elect one committee to organize all Minor Ball. The purpose is to control all money, maintenance of two diamonds, equipment, umpire fees, etc.

The elected committee are: Chairman-Pete Myke, Secretary-Dianne Smith, Treasurer-Diane Kett, Directors-Harry Rickie, George Jackson, Norm Crawford, Gerry McCarthy, Dave McKinnon, Don Richardson, Harold Taylor.

There will be five girls' softball teams, two boys' softball teams, four girl and boy mixed T ball teams, and five hard ball teams. Approximately 240 ball players involved. As you have realized this can only be accomplished through community support. This will have to include volunteer coaching, managing etc. Most important is our fans and financial supporters for these ball clubs.

Therefore on behalf of our future generation and the adults that have volunteered their knowledge and skills we would appreciate any financial help that you may feel obligated to forward to us.

Other enthusiastic ball people at this meeting were: Graham Norval, Bonnie McKinnon, Don Myke, Bill Winger, Nat Salvator, Bob Smith, Bob Bennett, Isabel Webb, Larry Atkinson, Chris Petracca, Abe Taylor, Marilyn Forrest, Don McCarroll, Mr. Shippway, Pat Mackereith, Mr. Walsh, Hagersville, Minor Ball, Sec. Mrs. Dianne Smith P.O. Box 161 Hagersville, 768-3207.
