TRIVIA

Children

Nearly six million children are currently growing up in fatherless homes. Children are awarded to their mothers in approximately 90 percent of the child custody cases. A study of middle-class, executive-type fathers indicates that fathers of infants under one year spend, on the average, 37 seconds a day with their infant offspring and about 15 minutes a day with their children over one year of age.

More change for Cheapside!

The Blake Field's house on Concession 3, Walpole - now Stelco property - was moved to Queen Street West, Cheapside and is being placed on the foundation - the property of Bobbie VanBrocklin. The preservation of these old homes is to be appreciated, also the "New Look". Cheapside village has awakened from its long "Rip

Cheapside News

Vanwinkle Sleep. With the various remodeling to homes store and churches that has been done. The Mid-Victorian Look of the old houses remains to tell us that for more than a century there has been little change - in the "Good Old Days" of the Erieville through the years when Cheapside's population numbered 200 and the Post Office served this community to the early 1900s when again the population receded, through the ravages of fire, etc. R. R. mail delivery came to the County and Nanticoke became the centre serving the Lake Shore cottagers and surrounding areas.

Changes must and do come!

We were again reminded of the uncertainty of life by the sudden passing of the late George Everly of Concession 5 Walpole, husband of the former Minnie Bartlett. The family gathered at the Cheapside hall following burial in St. John Anglican churchyard, for fellowship lunch. Sympathy is extended to Minnie, the children, grandchildren, relatives and friends.

On Sunday evening a film "Youth in a Fix" was shown at the Brethren In Christ Church sponsored by Teen Challenge.

A week of meeting from Nov. 3 to Nov. 9 is being conducted in the B.I.C. Church. Guest speaker Rev. Douglas Sider, pastor of the B.I.C. Church, Massey Place Saskatoon, Sask. A welcome is extended to you to share in this spiritual refreshing and renewal.

The Ladies of B.I.C. Church are again showing their "Stuff", quilting gets into full swing after the busy farm work recedes and country house wives take up their needle and thread to keep alive this art, the dexterous handling of the needle as intricate patterns are created, has fascination for those who look forward to the "Quilting Bees."

The 105th Anniversary and rededicatory service at the Cheapside United Church on Sunday morning brought friends from far and near. Congratulations were freely expressed for the courage of this small but dedicated group for their decision to keep their "Sign or Symbol of Faith" in this community, and for the COURAGE to take up the work of redoing despite the ravage of fire, the many man-hours of labor by both men and women to make the house of God again look beautiful. The service was inspirational, the noon luncheon fellowship and reminiscing after the service was heart-warming. The Rev. Carl Moore - a former pastor-brought challenging messages both morning and evening to an overflowing house. Congratulations are heart-felt and truly sincere. "They all had a mind to work." Nehemiah 4:6

The Postal strike inconvenience has been brightened by the service of "Mother Bell." The Sider family "Keep up the good work" by phoning their parents from Kansas, Penna., Parry Sound and Stayner - easier for us all to converse that to write a letter!!
