Harley and Anna Ruth Osborne and children of Perry Sound, Ontario were home with her parents, the Siders, over Armistice Day Weekend, they all enjoyed the turkey dinner Friday evening so deliciously prepared and delightfully served by the United Church Women of Cheapside following their anniversary.

Selkirk and area senior citizens took advantage of the Senior Citizens day Friday at the Royal Agriculture Winter Fair in Toronto. Arranged by SARRS Bus lines but commuted by Travelway of Simcoe lines. Sarr's busses were all filled so Dunville, Selkirk area were accommodated by the Travelway buses.

Mrs. Leitha Booth, Mrs. Sandy Schwyer, Mrs. Velma Weaver, Arthur and Bertha Marshall and Rev. and Mrs. Sider made the trip from Cheapside.

What a day! Despite the cold east wind outside there was warmth and fellowship on the bus trip -- what a crowd! Senior Citizens were everywhere apparently none were afflicted with claustrophobia for the packed corridors of the stadium seemed to be continuously crowded with bus loads of school children, the young and middle aged and old. Bathroom line ups were from 20 to 30 deep all day! We who could not join the walking crowd or the standing crowd had seating facilities amongst the flowers and in restaurants. Everything was lovely, the flowers beautiful, and the warmth and fellowship with the Senior Citizens prevailed all day. A smorgasbord dinner at the Voyager on the way home in Burlington was included. After such a "spread" we were able to "strike up a tune" and a sing song that kept would-be snoozers awake. Thanks to Mrs. Rose Melanbacher President for all her planning and efforts to make these trips so much enjoyed by everyone.

A group from Norfolk at Port Dover Historical museum Society escorted by councillor Phil Hare on a tour of the Museum visited the Wilson MacDonald Memorial Museum last week.

A pleasant surprise for the Siders last Sunday was Mrs. Sider's brother, Rev. George Sheffer and wife, Stayner, stayed an afternoon and overnight with them attending the BIC Church on Sunday evening.

Rev. and Mrs. Earl M. Sider attended the Redeemer Lutheran Church on Sunday Morning at Fisherville. Rev. Sider was the supply speaker in the absence of Rev. Walter Goos who was attending a funeral of his brother in Philadelphia, the victim of a brutal beating and wounding in his home, leaving him in coma from which he did not regain consciousness, but for a brief moment, the day he died. Another sad occasion One more reminder of the fact that crime everywhere is rampant. But in the one-time-Christian-concept Philadelphia, City of brotherly love(?) Our sympathy goes out to Pastor Goos and family.

Lawyers, accountants and other serving the Tax Management and Estate Planning needs of farmers have been invited to participate in a seminar at Hillcrest Restaurant, Hamilton on Thursday, November 27. A number of seminars on the subject has been arranged at various locations in Ontario by the Ministry of Agriculture and Food.

Over 350 4-H members, parents and friends gathered at the Haldimand Agricultural Centre, Kohler on Wednesday evening, November 12 for the annual 4-H Awards Night. Over 85 percent of the 157 boys and girls who started the 4-H year, successfully completed a project and met other completion requirements.

Special recognition was given to several who have completed a number of 4-H projects over a period of time. Allan Hedley, Canfield was recognized for completion of 18 projects. Allan Parke of Caledonia and Don Ricker, Dunville have completed 12 projects. President of the 4-H Club Leaders Association, Ivan Lofthouse was presented a certificate in recognition of 15 years service as a 4-H Club Leader.

The Royal Commission on Electric Power Planning is most anxious to get involvement of the public at hearings to be held at Hamilton on Dec. 1 and 2. Because of the difficulty in getting various materials about the meetings distributed, we have been asked to make copies available to the agricultural community. These individuals or farm organizations interested in making a presentation are invited to enquire for information at the Cayuga Agriculture office.

The big event coming up in Haldimand Agricultural circles is corn night on Monday evening, December 1, at St. Michael's Parish Hall, Dunville. One of the program items of interest will be, "who has the highest yield for 1975." With the much high yields in most corn fields this year we expect that interest will be even higher than usual.

Because of corn prices it is also expected that interest in the address by Morris Huff on marketing the Ontario Corn Crop will be high too. Mr. Huff is with the Ontario grain corn council and should have all of the latest information on corn marketing.

Corn night is also designed to be a social event. The whole farm family is invited to attend. Lunch is provided through the Dunville Chamber of Commerce and I.M.C. at Port Maitland.

The Holstein-Friesian Association invites all 1975 4-H members with a holstein calf to enter the all Canadian judging competition. Nominations will appear in the January issue of the Holstein journal. Members who do not ordinarily receive the journal may contact Murray Hunt, Holstein-Friesian Association, Brantford.

Crops specialist Ed. Pridham advises that the later planting yield depression in barley affects two rowed barley; more than the six row varieties. Rodney and Stormont oats are apparently affected by late planting yield depression too. Some other varieties are not subject to the same extent. These ideas might be kept in mind for the next late spring.

Dates to keep in mind include: Haldimand Holstein Club Annual Meeting at Kohler starting at 10:30 a.m. on Tuesday, December 9, Haldimand W.O.B.I. Annual Meeting at Kohler starting at 11:00 a.m. on Friday, December 12; Haldimand Soil and Crop Improvement Association Annual meeting on January 9; Haldimand Holstein Club Banquet at Jarvis on January 23; and Farm Business Management night school program starts on Tuesday, January 6.

CONSERVE ENERGY

Don't waste a drop!

After the furnace, the water heater is the biggest user of energy in your home. Waste hot water, and you're wasting valuable energy.

That's a good reason for getting full value from your water heater in every way you can. By fixing leaky faucets. By insulating long runs of hot water pipe. By waiting until you have a full load before you switch on the clothes or dishwasher. By using cold of cool water when it will do the job. By taking shorter showers or shallower baths. By making sure that all the hot water that eventually goes down the drain works hard for you before it goes.

The Cascade electric water heater gives you a dependable supply of hot water and it makes good use of all the energy it consumes. But it's up to you to use hot water wisely. Don't waste a drop.
