Spacemen Unbeaten

Win 1-0

The Spacemen remained unbeaten after four weeks of action with a thrilling 1-0 win over Hydro. They put their unbeaten string on the line this week when they play the Hagersville Hawks. Frank Vecero in net for the winners turned in another outstanding game and has yet to have a goal scored on him this season. Hydro had the better of the play but could not score. The Spacemen sat out seven penalties including a misconduct while Hydro served one minor. The teams were locked in a scoreless battle till the last minute of the game. Hydro had a clear shot on goal but the ball hit both posts before bouncing out of danger. While every

one stood around thinking it was a goal Danny Forbes raced down the ice and scored the winning goal with 19 seconds left in the game. Marve Carlson in net for Hydro made the first save but Forbes knocked in the rebound for the win.

In the first game of the night another new team in the league the Green Machine upset the Jarvis team by a score of 2-0. This was a well played game with the Green Machine showing too much hustle for the Jarvis crew. Jim Cote played a strong game as did Bruce Peart. Peart took a real shot to the head but stayed in the game to come up with a shutout. Jim Weatherston scored the winning goal when he let go a long shot that got by Berry Miller in the Jarvis net. Warren Howe added an insurance goal when he blasted a long one by Miller with Goose Meneguzzi picking up an assist. The winners sat

out 4 penalties as the losers picked up three.

The two power house teams in the league battled to a 0-0 tie as Nanticoke and the Hawks could not score a goal. Mike Evans and Larry Simon both picked up shut outs in this contest with Simon being the busier of the two men. Nanticoke had one goal disallowed when the referee ruled that Rick Bissonette knocked the ball in the net with a high broom. This was as close as anyone came to scoring all night. Glen Simon who is the leagues top scorer made a run at being the most penalized player as he picked up 15 minutes in penalties in this game. Playing short handed all the time hurt the Hawks chances of winning. Bob Burgess and Marve Fehrman played a strong game for the Nanticoke team while Bill Prince was a stand-out for the Hawks. Every Tuesday night is broomball night and you see three games so lets get out for some good entertainment.
