

New Jarvis Post Office Dec. 1975

Jarvis postmaster Larry Scarr and his staff have been improvising in a couple of trailers since July, 1975. They hope to move into the new post office in the near future.

Work in the new building is nearing completion. Workmen have just installed the counter (inset) in the customer service section.

The new post office at Jarvis opened for business Saturday morning. George Walker of Jarvis was the first person to receive his mail from the new outlet. Old keys had to be exchanged for new ones as the boxes have been changed. Mr. Walker exchanges keys with Postmaster Larry Scarr and then retrieves his mail from his cubical. (Times Staff Photo)
